Case No. 3:14-cv-05615-JST

HON. JON S. TIGAR

**JOINT STIPULATION AND ~~PROPOSED~~  
ORDER EXTENDING PRELIMINARY  
APPROVAL DEADLINES BY ONE WEEK**

1 **TO THE HONORABLE COURT AND THE CLERK OF THE COURT:**

2 Pursuant to Civil Local Rule 6-2, Plaintiffs Julian Mena, Todd Schreiber, Nate Coolidge, Ernesto  
3 Mejia, and Byron McKnight (collectively, “Plaintiffs”) and Defendants Uber Technologies, Inc. and  
4 Rasier, LLC (collectively “Defendants”) (collectively with Plaintiffs, the “Parties”) respectfully request  
5 that this Court extend the deadlines set forth in the April 25, 2017 Scheduling Order by one week to  
6 allow the Parties to complete their updates and revisions to the settlement documents.

7 The Parties have agreed to a new class definition, a new method of allocating the settlement  
8 between class members, and a new process for class members to receive their share of the settlement,  
9 each of which requires careful revision to the settlement documents. In addition, the Parties have  
10 reached a new agreement with a settlement administrator that will reduce administrative and distribution  
11 costs to the class by several hundred thousand dollars, but need to update the settlement documents to  
12 reflect that new process. Plaintiffs also need additional time to map the damages analysis in their  
13 preliminary approval motion to the new class size and the revised calculations based on the settlement  
14 structure and administrative cost changes. The Parties thus seek one additional week to ensure that they  
15 can fully implement the agreed upon changes in the settlement documents.

16 By and through their respective counsel of record, the Parties hereby stipulate and request that  
17 the Court enter an Order as follows:

18 WHEREAS, Plaintiffs commenced this action on January 6, 2015 [Dkt. 1];

19 WHEREAS, on February 11, 2016, Plaintiffs filed a Motion for Preliminary Approval of Class  
20 Action Settlement (herein the “Motion”) [Dkt. 75-4];

21 WHEREAS, on August 30, 2016, the Court issued its Order Denying Motion For Preliminary  
22 Approval Of Class Action Settlement (herein the “Denial Order”) [Dkt. 98];

23 WHEREAS, since the date of the Denial Order, the Parties have engaged in multiple mediation  
24 and settlement sessions;

25 WHEREAS, the Parties attended a settlement conference before the Honorable Chief Magistrate  
26 Judge Joseph C. Spero on March 7, 2017;

27 WHEREAS, the Court entered a Scheduling Order on April 25, 2017 that set a May 25, 2017  
28 deadline for Plaintiffs’ motion for preliminary approval of settlement, a June 8, 2017 deadline for

1 Defendants' memorandum in support of preliminary approval, and a June 29, 2017 date for the  
2 preliminary approval hearing [Dkt. 121];

3 WHEREAS, the Parties have agreed to, *inter alia*, a new class definition and a new method of  
4 allocating settlement payments among class members, both of which change the structure of the  
5 settlement and require extensive revisions to the settlement documents;

6 WHEREAS, the Parties have negotiated a new process for class members to receive their share  
7 of the settlement, and have reached an agreement with a settlement administrator that will reduce  
8 administrative and distribution costs to the class by several hundred thousand dollars, but need to update  
9 the settlement documents to reflect that new process;

10 WHEREAS, Plaintiffs need additional time to map the damages analysis in their preliminary  
11 approval motion to the new class size and the revised calculations based on the settlement structure and  
12 administrative cost changes;

13 WHEREAS, the Parties would greatly benefit from an additional week to fully implement the  
14 above revisions in the settlement documents; and

15 WHEREAS, no trial date has been set for this case;

16 **NOW THEREFORE**, in consideration of the foregoing, the Parties, by and through their  
17 undersigned counsel, hereby stipulate, agree subject to Court approval, and request that the Court enter  
18 an Order extending the deadlines in the April 25, 2017 Scheduling Order by one week, as set forth in the  
19 accompanying Proposed Order.
